WATER DISCONNECTIONS

The Town will continue disconnecting water service on the 3rd Monday of each month as the funds are needed to sustain the system. Thank you for your cooperation!

Sandyfield Strategic Planning Workshop

Last month, leaders from the Town attended a NC League of Municipalities (NCLM) workshop to draft a Strategic Plan for the next five years. Strategic Plans offer a roadmap for municipal goals, priorities, and actions. Over the next few months, the Town Hall meetings will discuss next steps in approving this plan, so please come out and share your thoughts. We are excited to continue making Sandyfield a great place to live.
