## Parks & Rec PARTF Grant Meeting

We heard you! The Town is continuing to expand Parks & Recreation opportunities! Through the PARTF Grant Application, the Town will work to secure funding to complete the community walking trail and build a restroom facility. We will be hosting a community meeting **April 9<sup>th</sup> at 6pm at the Town Hall** to share design plans, ideas, and get citizen feedback. Please come out and participate!

## WATER DISCONNECTIONS

The Town will continue disconnecting water service on the 3<sup>rd</sup> Monday of each month as the funds are needed to sustain the system. Thank you for your cooperation!

## Successful Volunteer Trail Day!

Last month, the Town partnered with the NC Coastal Land Trust to host a Trail and Trash Volunteer Day! Many old and new faces came out to support our future Sandyfield Preserve space. We hauled off four truck loads of trash! Thanks to our volunteers for serving the community!
